Version 3 – GO BY THIS TIME SCHEDULE

STARZ PARENTS, I just received this Version 3 time schedule late on Tuesday Evening, Jan 31, 2023. Please plan on having your child at the meet site 30 minutes prior to them competing at each event. Make sure that your child is dressed in their full team attire and with their hair French braided as asked to do in the team packet. Also, have your child carry their Starz bag with them to the line-up area where they will have access to their warm-up suit and trampoline shoes. Please have your child only enter the line-up area dressed in their Starz uniform. At no time should your child be wearing any other street clothing. Even though this is at Trevino's personal gym and the seating is very tight, it is so important that your child does not run back and forth to you once they are at line-up, warming up and competing. Please let the Starz Coaches coach your child – do not coach your child. After they compete and/or get their awards, then your child may go with their parents. As of now, I do not know when they will be giving out the awards. I will find out about the awards on Saturday morning.

Below is from the Host Team:

Hello Coaches,

Well, I hope everyone is staying warm and no frozen pipes or heating issues. We are still running the meet and have made just a few changes to the start times. I have not changed the order of flights but moved a few earlier by 5 to 10 minutes. There will be plenty of time between flights so no need to rush. Due to the numbers and various levels of the athletes, I had to spread the schedule throughout the day so there would not be overlaps of athletes. We still are scheduled to finish around 6:30pm.

We will have an Open Gym for anyone wanting to practice Friday from 6:30pm-8:30pm. Doors open Saturday at 7:45am with Competition beginning at 8:30am. Safe travels to everyone and we'll see you soon.

Rich
