

SCORES FLASHED & LIVE SCORING ON THE WEBSITE

Good Morning Region 3,
How do you keep up with Region 3 scoring?

1) Judges will flash scores immediately after reach athlete's routine. Flight awards will given immediately after the flights competition.

2) Judges will verify scores before they are posted as final results. Score are NOT final until they are posted

Ways to check your athletes scores.

1) They will be posted in the lobby once the entire level, gender and age group has completed their competition.

2) Results will ONLY be posted on our live scoring website, once the entire group has

completed competition. You can follow the competition results at www.usag-

region3.org/tscore to see if your athlete needs to return for the overall awards ceremony at the end of the session.

The flight summary will be in the program so that you know how many flights are in each category.

See you soon!
